

Week 8

CS 150 – C++ Programming I
In-Person Lecture 7

The Plan for Today

- **Now** – PE10, Final Exam
 - Place all books, backpacks, notes, phones, watches and other electronics at front or back of the room
 - Move to your assigned seat
 - Use the Lockdown Browser on desktop
- When you have finished the final exam, come to the front of the room and we'll review your grade in the class
 - If it would improve your grade you may then retake up to two of PE05-PE10
